Craig Fellows

Afton Ayache

Craig Fellows (Northampton) made an impact **working the outside treatment on weekender and holdall bags** for his 1950s-inspired collection, while **Afton Ayache** from Northbrook College also showed large patent totes.

Jody Parchment

Natalie Soutter

Northampton student **Jody Parchment** showcased an innovative and colourful accessories collection **packed full of desirable gems**. We loved her brave use of zingy yellow, zesty orange and pink for oversized clutch and shoulder bags.

Natalie Soutter (UWE) also favoured a feverishly intense colour palette. Using fuchsia pink, aqua and bright yellow for statement pieces, Soutter **infused authentic Turkish symbols with a distinctly kitsch edge**.
